KEYNOTE SPEAKERS

Timo Sinervo (THL/Finnish National Institute of Health and Welfare, Head of Research) “Challenges in Finnish home-care and competence needs”.

Paavo Ala (Meditech Estonia LLC, Member of the board) “Personal alarm services for independent living in Estonia”

WHEN?

November 14 2019 10.00-16.00 local time (lunch at own cost)

WHERE?

At Arcada UAS (Jan-Magnus Janssons plats 1, 00560 Helsinki Finland) AND live-streamed globally online!

WHY?

To take part in our project results and our newly developed curricula for home-care nursing in the Baltic Sea Region. Learn more about team-work, stress- and time management, IT-skills and new pedagogical methods in our enticing simulation workshops!

WHO?

We welcome ALL those with an interest of improving home-care nursing in the Baltic Sea Region: students, educators and professionals from near and far.

HOW?

Whether you attend in person or via live stream.
